

An Evening with Lisa Hendey

“Nurturing Your Family’s Faith Life with 21st Century Resources”

- Does the modern world seem at odds with your attempts to grow spiritually?
- Do you commit every Lent to growing in your faith, but fall short every year after Easter?
- Do you want to support your children’s faith and character, but don’t know how?
- Does religion seem disconnected from your everyday family life?
- Can you focus on what matters in life without unplugging?

Author, media personality, national speaker, and Catholic mom, Lisa Hendey will show you how being plugged in can actually HELP you and your children to grow closer to God. Lisa is one of the pioneers of the Catholic New Media. Her practical resources and tips on faith and family life can help you and your children grow closer to God for a happier, more fulfilling life.
